Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231AMENDMENT

Sir:

This is in response to the first Office Action.

IN THE CLAIMS:

Claims 14 to 24, line 1 of each claim, change "1" to --13--.

Claim 13 (amended). A videophone interactive mailbox facility system including a central data center for processing of information to conduct a transaction, comprising:

a) a user station having a videophone for viewing transaction information sent or received to conduct a transaction; and means for inputting said transaction information into said videophone; said videophone including a memory chip for storing said transaction information and an interface chip for interfacing with said central data center;

I hereby certify that this correspondence is being deposited with the United States Postal Service in first class mail in an envelope addressed to, Commissioner of Patents and Trademarks, Washington, D.C. 20231 on
